

Gerardo

Gerardo, (Captain Jerry), is a Master Captain and yacht mechanic. He is also a sailing master. He has been a yacht captain his entire adult life. He has captained numerous vessels, has his "Patron de Yachte" and Mexican Marine Seabook in addition to other licenses and certificates. He is Baja Charter's 96-foot-cruising-yacht's primary captain. Jerry has extensive experience in the yachting industry.

Mariana

Mariana is a graduate Marine Biologist and Padi Master Scuba Dive Trainer. (PADI MSDT # 312632) Mariana is Baja Charter's primary hostess, teacher, and snorkel instructor. Bilingual. Mariana has been with Baja Charters for many years but is currently on leave with a new baby.

Jesus

Jesus is a licensed certified yacht captain with Seabook. He worked as a large yacht engineer for fourteen years before gaining his Patron de Yachte. Jesus is Baja Charter's 60' sailing catamaran's primary captain. He advises and helps on engineering issues, yacht maintenance and repair. Jesus has a friendly disposition, and is a highly competent seaman.

Ana

Ana is a graduate Marine Biologist and shark expert. She is a certified rescue diver and licensed whale shark guide. Ana is strong swimmer and all-around athlete. She has a bubbly personality and functions as an instructor, hostess, and guide.

Gabriel

Gabriel (Gaby), is a yacht engineer and electronics expert. Gaby's captain's license is now pending, although he has operated yachts of various sizes as he goes about the business of making sure diesel and gas engines operate smoothly, does sea trials, and installs and adjusts electronics and radar to make sure they are doing the job they are designed to do. Gaby, although Mexican by birth, was a US marine.

Jennifer

Jennifer is a yacht chef and university graduate in gastronomy. Jen works as both chef and hostess aboard Baja Charter yachts and vessels. She is fun and sharp, and up for sharing recipes when asked. She knows boats and works on day charters and excursions as well as extended Liveaboard cruises.

Sammy

Sammy is a licensed, certified seaman. He is also trained in Search & Rescue. Sammy is fluent in English, Spanish and German. He is a former lifeguard and a certified Whale Shark guide and has five years experience working on private yachts. Trilingual.

Maritza

Maritza is a marine biologist and shark expert. For six years she was in charge of whale shark research and conservation in La Paz for an NGO. She has her Mexican Seabook, is a Padi diver, and expert snorkel leader.
